Section 1:

Enrollment Management Overview

If you have access to multiple groups and/or accounts, you will be prompted to make your group and account selection upon first entering Enrollment Management. Information will automatically populate if you have access to one group and one account (Diagram 2). From the Enrollment Management page (Diagram 3) you may access the following transactions:

1. Add Employee

Click "Add Employee" to add an employee.

 **Tip:** Add Employee also covers adding Late Entrants and new employees during Annual Enrollment.

2. Change

Add New Employee or Search an existing employee to view or change their record (Diagram 3).

3. Search

View your Group's active and terminated insured lists and individual employee information.

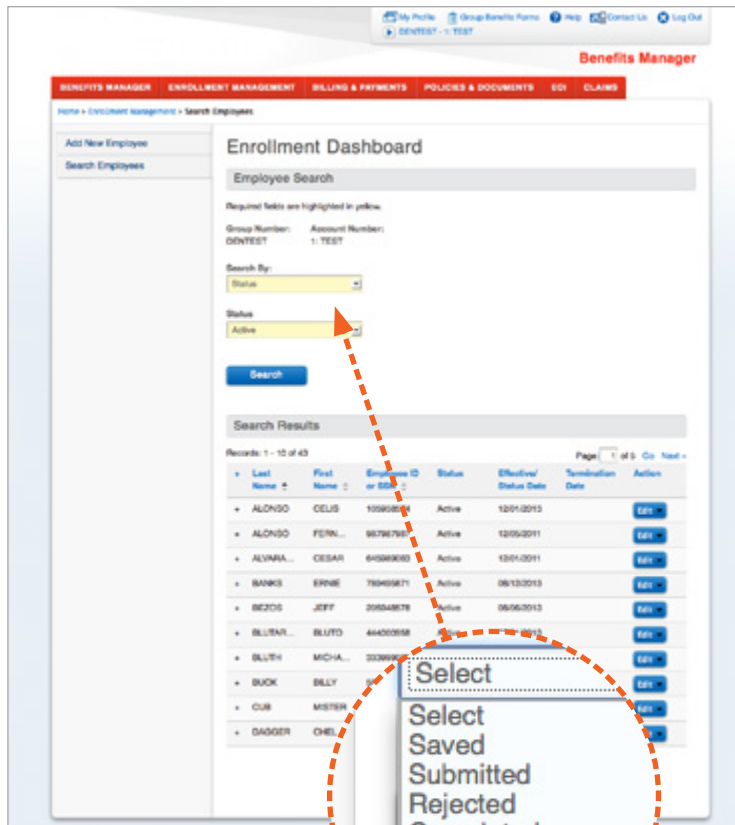

Diagram 4

Section 2: Search

The Insured List and Recent Additions Search (Diagram 4) allows you to search by Name, Employee ID or SSN and Status.

The Status options are as follows:

- Save** – a saved incomplete record
- Submitted** – submission has not yet been processed by our system
- Rejected** – the system could not successfully process the record; call Customer Service for resolution
- Completed** – successfully processed
- Active** – employee with active benefits
- Terminated** – employee with terminated benefits

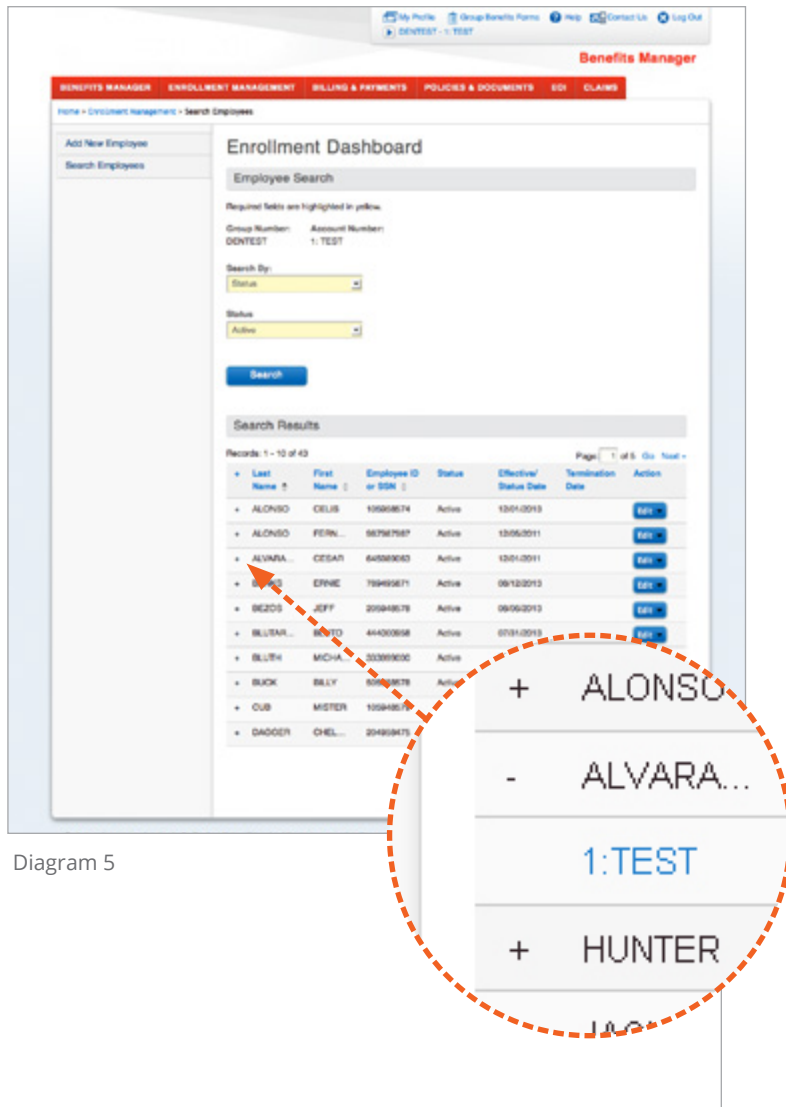

Diagram 5

The Search results appear on the bottom of the same page.

To view the employees current benefits information, click on the "+" sign at the left of the employee name and then the Group and Account number link (Diagram 5).

 **Tip:** To update an employee's information click on the "Edit" button to the right.

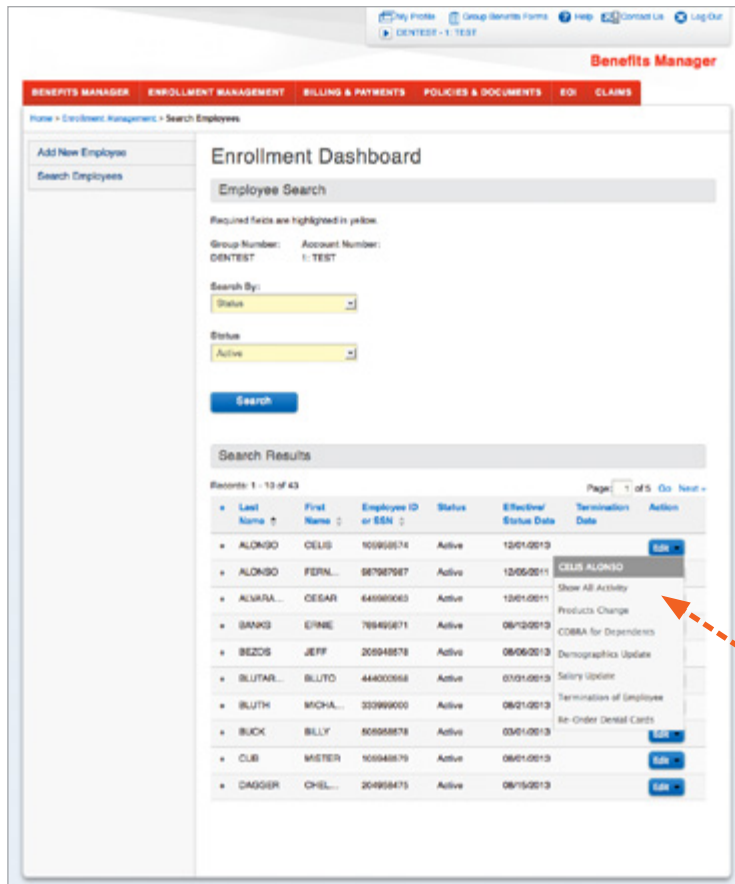

Diagram 6

Section 3: Change

The following changes and requests can be submitted depending on the group's products (Diagram 6):

- Products Change
- COBRA for Dependents
- Demographic Update
- Salary Update
- Termination of Employee

Section 4:

Add Employee

Step 1: Enter your Employee's ID or SSN, Date of Hire and Application Signed Date.

Step 2: The Class field will then populate with the appropriate selections based on the dates entered.

Please note: you *MUST* enter the Employee ID or SSN, Hire Date, and Application Signed Date in order for Class to populate.

Tip: Only choose a "Life Event" if that is the main reason for the addition.

If the Enrollment is taking place during the group's anniversary period, Anniversary will display as an option in Enrollment Type.

Step 3: Click Continue (Diagram 10).

Evidence of Insurability (EOI)

If Evidence of Insurability (EOI) is required, the Confirmation page will present two options for notifying the employee to complete the necessary form.

Evidence of Insurability (EOI) (continued)

Clicking on “Print Evidence of Insurability Form” will print a paper copy of the EOI form (Diagram 15). Clicking on “Evidence of Insurability” will launch a window in which you may enter and confirm the employee’s email address (Diagram 16). This will send an email to the employee containing a link to the online EOI form, as well as instructions for completing the application.
